

Fashionistas to offer tips on looking good

STYLIST Cindy Newstead has travelled from Melbourne's fashion capital, Chadstone Shopping Centre, to help Alice Springs buyers find the right clothing for their bodies.

Mrs Newstead and a colleague from 'Style with Cindy' were brought in by Yeperenye Shopping Centre, where they will be running workshops tomorrow to help people choose clothing that suits their body shape, age and size.

Three Alice residents, two women and one male, will be modelling clothes selected by the fashionistas.

"We are using real people, real shapes," Mrs Newstead said.

The workshops, to be held next to EB Games, will be staged at 10.30am and 1pm. The workshop has been designed for both sexes, and those who pre-book will receive a goodie bag. Tickets can be purchased at OPSM or at Yeperenye Shopping Centre management.
